## WORK ON THE THINGS YOU CAN

-----  
i just saw the universe change

Pulsating

feeling so heavy it can barely move

A noise that means metal bars,

cramped spaces

and cold slabs of concrete.

i thought i could...

Today.

In a dark time,

the eye begins to see,

hate is poison

Don't concern yourself with the things you can't change.

Work on the things you can.

#22

## PATIENCE

-----

who am I kidding. patience.

I figured it fit.

there are some lessons floating about

Always a smile, always in the moment.

Hold fast to dreams

#23

## NOTHING SINISTER

-----  
It's gritty.

like hell

And fun.

Nothing makes sense, except all of it

dudes get wiped out.....totally.

carnage, and finally a headstone

sun flares

Nothing sinister.
